

## 2° CTA · Práctica extra VOCABULARY EXPANSION

(Mandado el martes 26-5-20)

How exciting! A new way of expanding vocabulary! It's really easy: I'll give you sentences with some underlined words. Your task is to find synonyms for these underlined words (one per blank space). But... where are you going to find all those elusive synonyms? In a THESAURUS /cesó:ros/, of course! → <https://www.wordreference.com/synonyms/>

**Thesaurus.**

Joke of the day! By the way, humans and dinosaurs did NOT coexist on Earth at the same time, you know that, right?

Example:

I was shocked at the experience of contemplating the corpses.

horrified

beholding

astounded

witnessing

startled

gazing at

1. That thing seemed very important at that time.

---

---

---

---

---

---

2. Nowadays this is the type of problem we are all facing.

---

---

---
