AFTER (10') Flamenco Hunt

Can you find these Flamenco symbols around the building? You must name all the pictures. Your English teacher will help you if you ask her/him English questions properly.

For every correct answer your group will be given the letter of a secret word. When you get the complete word you'll be the winner and the game is over.

This is a group activity (groups of four students). Your group should be named after a flamenco word, for example: Group 1: OLE. In addition, name a group spokesperson who will answer all the questions.

BULERIAS - FLAMENCO - FANDANGO - FARRUCAS

Material: pens and worksheets, stickers with the name of the group.
