

2º CTA · Práctica extra COLLOCATIONS (1/3)

(Mandado el miércoles 1-4-20)

En lingüística, dos palabras “colocan” si “pegan juntas”. Por ejemplo, en español decimos “soñar con”, pero en inglés no dicen “dream with” [“con” = “with”], sino “dream of/about” (sueñan “de” o “acerca de” alguien).

¿Qué preposición “coloca” con estos verbos? (puede que haya más de una posibilidad) .[¡Y busca lo que significan si no lo sabes!]:
